

### What ?

*APSI is a non-profit employers' association created in 2000, with the aim of defending the professional, material and moral interests of its members, the extension and improvement of the institutions of the professions of the information society, both individually and within a federated framework.*

### Who ?

*Any active professional legally established in the territory of the Grand Duchy of Luxembourg, having a significant role in trade or the development of services related to the information society, whether they are legal entities or natural persons, may become an effective member of the association.*

*The latter may become members in their own name.*

### Why ?

*Amplify the voice of the players in the IT sector and bring their opinions, criticisms, proposals and projects to the political authorities so as to promote sustainable economic development.*

*Promote the professional interests of employers in the ICT sector among decision-makers and potential investors in the Grand Duchy*

*Sensitize the Luxembourg and Greater Region market, its economic and political players, and society as a whole to the challenges of Information and Communication Technologies (ICT).*

*Inform the information society professionals on any subject of general or specific interest, in particular concerning their rights and duties*
