Goals

Association
des Professionnels
de la Société
de l'Information

APSI is a non-profit organisation created in 2000 as an association of the companies active in ICT field in Luxembourg. As a member of Digital Europe and ICT Luxembourg, APSI's goal is to represents its members to the national and European authorities and at their institutions.

Jean Diederich, President, APSI

"The proximity of public institutions in Luxembourg is a unique asset everyone appreciate highly."

Why Join. apsi

1

Through its working groups, APSI, provides technical and strategic input benefiting members of the ICT ecosystem in Luxembourg.

2

Network with ICT professionals in Luxembourg and abroad.

3

Put forward industry concerns and solutions to government and supranational bodies.
